

Good Morning All:

As all of you are aware, our Worthy Grand Matron had dedicated this year to our members with her Star Love theme. As a tribute to them, we are asking all members to send in their stories and we are going to make a giant scrapbook and presentation to display at Grand Chapter.

Please promote this in your Districts and Chapters. Peg has also promoted this to her counterparts worldwide so Grand Officers - the challenge has been issued!! Contact your counterparts worldwide and ask for their stories.

Everyone has a Star Love story! It could be something someone has done for you or even something you or a member has done for a non-member. Our lives are wrapped in this Star Love and that is why we Love This Order!

A dedicated email address has been created for these stories. All should be sent to starlovestories@gmail.com. Do not have any stories sent to Peg or myself and please use this gmail account for the Star Love Stories only. A deadline of August 1, 2009 is set for receipt of all stories.

WGM Peg and I will be working on each story as it is received to create a page in our scrapbook showcasing the story.

The email address will also be on the Ohio Eastern Star website at www.ohoes.org and we encourage each of you to have it put on your chapter and district websites.

Should any of you have any questions, please let me know.

In Star Love,

Sue Flora, Grand Marshal
